

8th Fragility Fracture Network (FFN) Global Congress

Oxford, United Kingdom

Scientific Contributions

Aarhus Research Group in Orthopaedic Surgery and Epidemiology (AROSE) Based on the Danish Multidisciplinary Hip Fracture Registry

Wednesday, 28 August 2019

1. Poster presentation

Hjelholt T. J., Johnsen S. P., Brynningsen P. K., Pedersen A. B. **Association of CHA2DS2-VASc score with stroke, thromboembolism and death in hip fracture patients with or without atrial fibrillation.** Poster site: PE 3-10. Contact: tjh@clin.au.dk

2. Poster presentation

Jeppe D. Vesterager, Pia Kjær Kristensen, Irene Petersen, Alma Becic Pedersen. **Regional variation in the incidence of post-operative infection among hip fracture patients.** Poster site: PE 3-20. Contact: jdv@clin.au.dk

3. FREE PAPER SESSION 1: Fracture Management

Bjarke Viberg, Trine Frøslev, Søren Overgaard, Alma Becic Pedersen. **Could there be a different choice than internal fixation for undisplaced femoral neck fractures? A population-based study from Danish national registries.** Room: South school, Time: 11.45-12.50. Contact: bjarke.viberg@rsyd.dk

4. FREE PAPER SESSION 3: Research in fragility fractures

Kristensen P. K., Merlo J., Leckie G., Ghith N., Johnsen S. P. **Hospital differences in death rates after hip fracture surgery in Denmark – a multilevel approach for evaluating variation in 30-day mortality after hip fracture in a population-based cohort study.** Room: 6, Time: 12.33-12.41. Contact: pkkr@clin.au.dk

5. FREE PAPER SESSION 3: Research in fragility fractures

Kaja Eriksrud E. Kjærholt, Trine Frøslev, Alma Becic Pedersen. **Nationwide trends and risk factors for reoperation due to infection after hip fracture surgery: a Danish cohort study.** Room: 6, Time: 12.33-12.41. Contact: 201208814@post.au.dk

Thursday, 29 August 2019

6. FREE PAPER SESSION 6: Rehabilitation after fracture

Nina M. Edwards, Claus Varnum, Søren Overgaard, Lone Nikolajsen, Christian F. Christiansen, Alma B. Pedersen. **Risk factors for new and persistent chronic opioid use after hip fracture surgery: a Danish nationwide cohort study from 2005 to 2016.** Room: 6 Time: 12:01-12:09. Contact: nme@clin.au.dk

7. FREE PAPER SESSION 7: Top 6 Best Poster Presentations

Nickolaj Risbo, George Luta, Lars Pedersen, Vera Ehrenstein, Alma B. Pedersen. **Post-surgery infection and subsequent mortality among hip fracture patients: different methods for dealing with time-varying confounding in a Danish population based cohort study, 2004-2016.** Room: South School. Time: 17:55-18:00. Contact: nrkr@clin.au.dk
